Joe Saunders Receives the James A. Ford Award from the LAS at 2010 Annual Meeting

Velicia Bergstrom and Rich Weinstein congratulate Dr. Joe Saunders (center) at the LAS/MAA Banquet upon receiving the James A. Ford Award.

The British Petroleum (BP) Deepwater Horizon Offshore Oil Rig in flames April 20, 2010. This disaster will affect coastal archaeological sites for years to come. See p 10 for views on the impact of the offshore oil industry on descendants of the first Louisianans.
